## **Deposit**

We take a deposit of 300 €, which is collected by Antonia on the day of arrival against receipt and paid back on the day of departure after a final inspection. The deposit covers all the things that got broken or damaged. This applies to the complete interior equipment of the house. The deposit must also be used for additional staff, in case the house is soiled beyond the usual. Or when larger accumulations of waste have to be disposed of. The usual rule that the rental property is to be left in a broom clean condition applies here.

The accomodation is limited to 20 persons! A higher number of guests would be an over-occupancy and is subject to our explicit permission!

<sup>\*</sup>The daily fee defines the minimum rent for a complete booking. An exclusive rent of the estate below this minimum fee is not possible. Regarding the calculation of rent and running costs the daily fee is based on a maximum of 14 persons no matter if children or adults. Should the group exceed 14 persons we charge a fee of 20 €, per person and night, child or adult.
